**24<sup>th</sup> Annual Leap Sandcastle Classic: Nature Rocks!  
Saturday, October 6<sup>th</sup>, 10 a.m. – 3 p.m.**

Do you have children in Bay Area schools? Are you appalled at the fact that they have not yet produced mini-Monets at the tender age of 8? Disappointed that they aren't drafting architectural plans for your new sunroom? Wishing they were spending their weekends composing sonatas to make dinner guests weep? Well, wait no longer! The Leap Sandcastle Classic is a fundraiser that puts money for art back into Bay Area schools! Just think—the more you give, the more your little one will get.

Please join Dome in this year's Sandcastle Classic as a Team Sponsor! We're teaming up with RMW Architecture, Forell/Elsesser Engineering, and a local elementary school in an effort to raise awareness, raise funds, and build the most creative sandcastle on Ocean Beach! The Sandcastle Classic is one of the most successful charity events supported by the architecture, engineering, contractor and building communities in San Francisco. You're welcome to join us for the event-day festivities (it *is* the largest sandcastle tournament in Northern California), or show your support by sponsoring our team!

As a sponsor, you will be entitled to the ever-enticing benefits listed on the attached RSVP Form. Just take a look! You'll like what we have to offer. The deals of a *lifetime*.

Please consider supporting our team and mail in your RSVP form today! You'll sleep better at night knowing that you've helped so many little people: we *promise*.

Cheers,

Sharona Selby and the Leap Sandcastle Committee: David Kolonay, Mike Firenze, Kevin Firenze, Matt Hanson, Monica Magee, Cynthia Seward, and Cori Floyd

**Dome Construction, RMW Architecture, Forell/Elsesser Engineers, Inc.**
